FOREWORD

Fellow Students,

The staff and I have worked to produce a yearbook which reflects some of the most important events of the 1965-66 school year. We sincerely hope that you enjoy this year's edition of the EASTONIA as much as we have enjoyed bringing it to you. As you reminisce through its pages, may you recognize the significance of a most wonderful year.

With best wishes for each of you,

Do You Know . . .

. . . the petite lady with the ready smile who is usually stationed at the north end of the corridor?

Do you know the teacher who has had a sincere interest in each of us from the time we were in her class until now?

If so, you know MRS. GLORIA DINSMORE, the conscientious seventh grade teacher, who has always willingly helped and encouraged us.

It is to you, Mrs. Dinsmore, that we proudly dedicate our 1966 Eastonia and give our heartfelt "thanks" for your hard work and patience.

. . . MRS. DINSMORE

SUPERINTENDENT
MR. FRANCIS STROUT

SUPERINTENDENT'S MESSAGE

As a student you lead a busy life. There are hardly enough hours to do the many things you want to get done. Growing up is a full-time job and an important one too.

Managing this growing-up process is no small task if it is well done. As you grow older, you make more of your own decisions and take more responsibility for your own activities. Right now in the matter of self-direction you are somewhere between dependence of youth and independence of adulthood. Do you think that you are up to schedule for your age?

You need to grow in ability to manage yourself. Only by making little decisions do you learn to make the bigger ones. You need to learn self direction. Doing the right thing when you are told to do it is important, but doing the right thing because you know it is right and because you choose to do it that way, is the real secret of growing up. You and your classmates are all engaged in the same growing-up business. Congratulations to each of you for your achievements to date and may you continue to grow by choosing intelligent experiences.

IN MEMORIAM

We honor the memory of our dear friend and fellowman, Adonis Ladner, who is greatly missed by the students and faculty. We miss his friendly "Howdy" and his cheerful ways.

STUDENT COUNCIL

Under the guidance of our advisor, Mr. Carter, the Student Council got off to an early active start with the campaign for the election of the President of the Council. Candidates for the office were Jack Chase, Tyler Perry, and Virginia Osgood. During the campaign speeches, a number of new ideas for the Council were presented, which were acted upon immediately after the election of the new President Tyler Perry.

A Student Council Scholarship Fund was voted in as the major project of the year and activities such as fudge sales, dances, and bottle drives were carried on to earn money to establish the fund. Our goal was to award \$100 to a graduating senior this year, and increasing it to a \$200 scholarship for the next year.

The Council still carried on its traditional duties of the noon-hour program, intra-mural volleyball, and the annual Magazine Drive. The drive netted the school over \$300 in money and prizes this year, with the Freshman Class winning \$50 of that for their fine sales efforts.

This year, the President was elected by the student body and the other officers were elected by the Council. We are considering the possibility of having all officers campaign for election by the student body in another year.

We sent five representatives to the State Convention, which was held at Yarmouth High School. Mr. McNally of the faculty accompanied the delegates as chaperone.

ORGANIZATIONS

FUTURE HOME- MAKERS OF AMERICA

We opened our 1965-66 year of Future Homemaker activities by attending the District "A" meeting in Presque Isle, where Beth Chase was our candidate for State Chairman.

We sponsored an assembly in January with Reverend Robert Mitchell of Caribou as the speaker. His talk was greatly enjoyed by the student body.

Some other activities carried on through the year were F.H.A. Week, a visit to the Aroostook Training Center, and in April we attended the State Convention at Brewer High School.

The officers of the Chapter are happy to take this opportunity to wish next year's members the best of luck and a successful year.

Chapter Sweetheart

Creed speakers

Watch your thumb John!

During this year the Chapter attended the District Meetings held at Fort Fairfield, Presque Isle, Limestone, and Patten. We participated in every contest held and did very well, placing in many contests. The officers and some members attended the Leadership Conference at the first district meeting at Fort Fairfield.

The Chapter activities this year were operating the FFA Store at recess and noon hour, holding chapter initiations for Greenhands and Chapter Farmers, a basketball team, exhibit at the Northern Maine Fair, Parent and Son Banquet, elect Chapter Sweethearts and present them with jackets, and planting and selling corn at a profit to the Chapter. We are now making plans for the State Convention, a FFA trip, and the awarding of a scholarship to a chapter member.

The 1965-66 edition of the Easton Bears opened up the season as defending State Champions with a great reputation to live up to and with a great deal of pride and high hopes. The team showed great courage and continued to "scrap" and give their all throughout the season, in spite of some early season losses that were a disappointment to them. It was a season that might be summed up with the sentence, "We were so close but yet so far."

The Bears finished the season with a 6 and 12 mark, while only being outscored by their opponents by 83 points for the season, 1157 to 1074. The team averaged 60 points a game to their opponents 64.

Leading scorers were Tyler Perry with 359 points; Oliver Gardner with 197; Alan Tweedie with 159; Kim Richardson with 146; and Tom Wolverton with 114.

FRONT ROW: W. Osgood, C. Dunelew, F. Seaborne, R. Dinsmore and M. Adams. STANDING: A. Woollard, B. Johnston, G. Rattrey, P. Benn, T. Miller, P. Hoyt, and J. Davenport.

The Easton Cubs, under the coaching of Mr. Ugone and his capable Assistant Keith Richardson, ended the season with an 8 and 10 record. Among the high scorers were Gary Rattrey with 201 points, Darrell Whittaker with 188, Merle Lamoreau with 148, Paul Benn with 144, and Alan Woollard with 112 points.

They were a scrappy and hard-fighting ball team with lots of spirit and showed much potential for coming years.

"Go, Bears!" bounces off the walls of the gymnasium of Easton High School as the Cheerleaders lead the student body during pep rallies and basketball games. These young people embody the spirit of the school with their enthusiasm, their yells, and their leadership of the student body.

In their world of jumps, cartwheels, and splits, the cheerleaders' purpose is to create school spirit, loyalty, interest, and sportsmanship.
